George Orwell - pdf download free book

Manor Farm is like any other English farm, except for a drunken owner, Mr Jones, incompetent workers and oppressed animals. Fed up with the ignorance of their human masters, the animals rise up in rebellion and take over the farm. Led by intellectually superior pigs like Snowball and Napoleon, the animals how to take charge of their destiny and remove the inequities of their lives. But as time passes, they realize that things aren't happening quite as expected.

Animal Farm is, on one level, a simple story about barnyard animals. On a much deeper level, it is a savage political satire on corrupted ideals, misdirected revolutions and class conflict—themes as valid today as they were sixty years ago.

George Orwell (1903-1950) was an English novelist, essayist and journalist.
