Description:

The ***Apologetics Study Bible*** helps today's Christians better understand, defend, and proclaim their beliefs in this age of increasing moral and spiritual relativism.

More than one-hundred key questions and articles placed throughout the volume about faith and science prompt a rewarding study experience at every reading. Highlights of this thinking person's edition of God's Word include the full text of the popular HCSB translation, an introduction to each Bible book focusing on its inherent elements of apologetics, and profiles of historic Christian

apologists from Justin Martyr to C.S. Lewis.

Also featured are valuable contributions from a who's-who of modern apologists such as Chuck Colson, Norm Geisler, Hank Hanegraaff, Josh McDowell, Albert Mohler, Ravi Zacharias, and 90+ more contributors. Plus a special lead article from best-selling author Lee Strobel (The Case for Christ) on how "How Apologetics Changed My Life."

Other features include full-color maps (5), charts (11), and a timeline of Christian apologists and their works, 132 articles, two-color page layout, two-column text setting, presentation page, and two-piece die-cut gift box (excluding hardcover).
