Description:

From the Back Cover Adventures in Faith

For author Smith Wigglesworth, life was a continual adventure. Always trusting God, even in the most hopeless situations, he had total confidence in the power of Christ. Join this late evangelist in the great adventure called "faith," where miracles were daily events. Witness the many accounts of deliverance from diabetes, tuberculosis, demon possession, and even death. Prepare to be overwhelmed as the seed of faith begins to expand and grow in your heart. Watch as God moves, touching lives with healing and deliverance--miracles that follow as signs of the power of faith.

Your faith, great or small, can multiply ever increasingly as it overflows into the lives around you, bringing glory to God and blessings to the world! --This text refers to an alternate edition.

About the Author Smith Wigglesworth (1859–1947) was born in England in 1859. Immediately after his conversion as a boy, he had a concern for the salvation of others and won people to Christ, including his mother. He became a plumber by trade, yet he continued to devote himself to winning many people to Christ on an individual basis. In 1882, he married Polly Featherstone, a vivacious young woman who loved God and had a gift of preaching and evangelism. It was she who taught him to read and who became his closest confidant and strongest supporter. They both had compassion for the poor and needy in their community, and they opened a mission, at which Polly preached. Significantly, people were miraculously healed when Wigglesworth prayed for them.

In 1907, Wigglesworth's circumstances changed dramatically when, at the age of forty eight, he was baptized in the Holy Spirit. Suddenly, he had a new power that enabled him to preach, and even his wife was amazed at the transformation. This was the beginning of what became a worldwide evangelistic and healing ministry that reached thousands. He eventually ministered in the United States, Australia, South Africa, and all over Europe. His ministry extended to the time of his death in 1947. --This text refers to an alternate edition.
