Description:

A Page-Turning Storybook of Theology for Kids

In the cellar of the old stone cathedral, Carla and Timothy uncover a life-changing treasure, a carefully wrapped ancient book known as *The Ology*. What adults might describe as a beautifully illustrated storybook of systematic theology, the kids discover to be a story of adventure, mystery, and wonder that leads them to the truth about God, themselves, and the world around them.

Truth is for kids, not just for adults! So *The Ology* gives kids of all ages a beginner s theology book to

help them understand who God is and how we, as his children, relate to him. Arranged within a traditional systematic theological framework, each truth in *The Ology* is also connected to the larger redemptive story of Scripture. The doctrine of God, for example, is presented in the larger framework of creation, where the attributes of God are on display and easier to understand. Designed for six-year-olds through preteens, this flexible resource includes built-in adaptations for use with younger or older children, so that entire families can enjoy it together.

Read *The Ology* to preschoolers, read it with grade-school kids, and let older kids discover the hidden truths by reading the corresponding Scripture passages for each section. However you read it, *The Ology* will give your children a gift that will last a lifetime a solid foundation of life-changing biblical truth that will point them to the God who loves them and gave himself for them.
